Paving of Eisenhower Ave

TO: All businesses and residents

The City of Alexandria plans to mill and repave Eisenhower Ave from Bluestone Rd to Telegraph Rd, including all lanes. The estimated duration of this project will be from April 4 to April 15, 2016 from 9:00am to 3:00pm excluding weekends, weather permitting. While it is our intent to complete the work on the days indicated, weather or equipment problems may cause delays, in which case the project will be completed as soon as possible, thereafter. Please be aware of the following during this project:

1. No vehicles may be parked on the affected streets for the duration of the project. Temporary No Parking signs will be posted prior to any construction activity. In the event of delays, temporary signs will be adjusted accordingly.
2. Traffic in the immediate and surrounding area may need to be re-directed. Please observe traffic detours and other traffic signs.
3. Construction crews have been instructed to minimize impact to overhanging tree branches. Our City Arborist will be monitoring the situation and some minimal removal of low-hanging limbs may be required.
4. City T&ES staff will be on the scene for the duration of the project.
5. Streets will be re-stripped as soon as practical following resurfacing.
